Would you let me know if you get any better sense of a timeline for addressing this issue? I plan to visit with Lael in the next few weeks on this and other issues.

Susan,  
 I'll be forwarding to you 4 different letters from parties interested in one of the Wyoming special charters (Avanti) gaining access to a master account. I wanted you to have this background as you work with the Board staff. These folks are pulling out all the stops.
